ays business solutions has an extensive range of Senior level coaching programmes which are developed with the client.

Our trainers/coaches include:

- a globally experienced assessor and verifier trainer. Has 12 years in the training industry as management, and has R&D a range of People Skills courses.
- an expert in the L&D field, and also management and leadership development. She also has a strong background in competency and training, inclusive of development, design and delivery. Holds an A1.
- a NLP behavioural coach, with a strong technical O&G offshore background he is also an A1.
- an international speaker with 11 years experience as a Leadership tutor and guide. He is respected by clients as a “thought leader” and runs workshops globally.
- a contingency management development expert in chemical, biological, nuclear and O&G. Lecturer and NLP for management development.
- an intuitive facilitator who leaves delegates challenged and inspired. She is an effective manager with over 20 years experience in business.

We are a highly motivated team linked in a common purpose to achieve the best possible results for our course or workshop participants and ultimately our clients.

“Do not let what you cannot do interfere with what you can do”.

John Robert Wooden (b. 1910)
a retired American basketball coach
