New team?

*Is your team ready to develop their team-building skills?
Are your team leaders ready to lead?*

Visit www.ays-ltd.co.uk

It is widely recognised that people tend to function more effectively as members of work teams, rather than as isolated individuals.

This course develops skills for both team members and team leaders.

This interactive course engages the delegates to help develop their team building and relationships with colleagues.

The course can be run over 1 or 2 days and configured to suit individual company requirements.

Course content:

- Teams v work groups
- Teams and synergy
- Features of effective and ineffective teams
- The benefits of effective team working
- Teams and individual differences
- The different phases of team development
- Different behavioural styles
- Teams, morale and productivity
- Developing team charters
- The characteristic features of an effective team leader
- Teams, conflict and consensus
- Team building- task, team and individual functions
- Team building practical exercises
